Submitting Materials: Susan Bourneuf (Assistant to the Resident Dean, A-22) must receive these materials before we will start writing your House letter:

- Pre-Law Information Form and completed Questionnaire
- Academic Release of Information Form
- Draft of Personal Statement
- Stamped and Addressed Envelopes to each Law School to Which You Are Applying
 - These should be 9 x 12 manila envelopes, with 3 stamps affixed. The return address is the House Office's address, not your personal address.
- If applicable, filled-in Dean's Certification Forms for each law school to which you're applying.

Two Week Guarantee: If you get all your application materials into Susan Bourneuf and your Pre-Law Advisor by November 3rd, Cabot House will guarantee a two-week turnaround for getting your House Letter written and sent into LSAC. After November 3rd, we cannot guarantee the two-week turnaround. Missing the November 3rd deadline does not disqualify you from the Cabot House process. However, your Cabot materials may be delayed to the detriment of your application package.
