

# About: Fundraising!

Harvard China Care

**Mission:** To raise enough money to support our programs both domestic and abroad. These include the operational costs of our newest Children's Home in Baoji, children's surgeries, and other costs that improve the quality of life for orphans in China.

**Fun Fact:** This past year, our 2007 Second Annual Fall Benefit Dinner and Silent Auction raised over \$75,000—in one night!

**Ways We Fundraise:** From campus candy-grams to marathons to silent auctions, and more, here are just a few of the ways HCC raises money:

- Boston Marathon (Raised over \$11,000 in 2006)
- Benefit Dinner/Silent Auction (Raised over \$75,000 in 2007 and \$34,000 in 2006)
- Private Donors – HCC is fortunate enough to have several very generous private individual and corporate donors contributing to our organization
- Smaller Fundraisers – Food sales, Valentine's Day fundraiser, Trick or Treat

## How You Can Get Involved:

- Join the Fundraising Committee and help brainstorm ideas for new ways to raise funds.
- Volunteer at a Fundraiser—even if it is just playing the piano at the Benefit, or offering to take photos at an event, every helping hand counts!
