In recent years, the proper role of the United Nations in today's world has become the subject of intense debate. The organization's effectiveness has been challenged by humanitarian crises in Africa and elsewhere, and its legitimacy has been challenged by a movement towards unilateral action by the United States and other nations. In your opinion, what is the proper role of the United Nations in today's world? (Please limit your answer to 300 words.)

Please e-mail your completed application to [harvardmunapp@gmail.com](mailto:harvardmunapp@gmail.com). Please also sign up for your interview by 9 p.m. on Wednesday, September 16<sup>th</sup>.

Apply for a position with either HMUN or HNMUN (or both). ICMUN team members are required to apply for a position with either conference. Being a part of the conferences is a lot of fun and a great way to meet other IRC-ers!
