Mizmor Shir is the singular Jewish a cappella music group of Harvard University. The group is comprised of twelve undergraduate men and women united by a love for singing Jewish music. We strive to share this with others in a warm and interactive performance style. Ranging from modern Israeli and American pop to traditional liturgy to Ladino folksongs, our repertoire blends innovative and traditional melodies from across the Jewish world. The majority of the music is composed or arranged by members of the group. Mizmor Shir regularly performs at schools, synagogue events, bar and bat mitzvah celebrations, retirement homes, as well as national conventions and music festivals, and could be coming to sing for you...

From March 21 to March 29, 2002, Mizmor Shir will be touring the Los Angeles, Santa Barbara, and San Diego areas. The group will be available for performances scheduled throughout the days and during the evenings. As we are a non-profit undergraduate organization, the fees we request for performance cover our expense and travel costs.

If you are interested in booking a performance or in more information, please contact us by email, or by calling our business manager. Also don’t forget to visit our website where you can find out more about the group, including samples of our music!
